1 Interest in Partnership

Please inform us, if you are interested in joining the project. If yes, are there some terms and conditions, that should be considered? If no, which is the reason for the refusal?

2 Institution

Please describe your institution and your fields of activity to integrate into the Proposal (in English, max. 1 A4 Page).

3 Know-How

In which areas do you have special expert-knowledge? Which Experiences do you have in working in an EU-Research-Project?

4 Feedback to concept

What do you think, should be changed in the planned project? Are there some aspects, which should be added? Do you know some research results, which should be noted in the proposal?

5 Possible Collaborators

Please write us, who will join the project. We think about a 20-30% job for the person which is responsible for the project and a 20-30% job for an assistant. Describe shortly each person and their Competences and their Education. Please also send a description on three to four lines of these persons to integrate into the Proposal (in English).

6 Contacts to companies

Do you know companies, who could be interested in joining the project? If yes, please do a short-description of their locations, size and the line of business, they are working in.

7 Budget

What daily rate we have to calculate for the participation of your institute in the project?

8 Informatics

Which operating system are you using internally? Which Project Management Software are you using? Are you familiar with Microsoft Project?
